

Please do not allow these people/companies to start calling again! We use to get a lot[at least 15-20] of these calls a day and hardly get any anymore. It is very upsetting to sit down to dinner with your family and have it interrupted by someone/or by several someone's trying to sell you something you don't want!Please DO NOT let them start again! If I want to talk to a salesperson I will go to the store myself or call them myself. I don't feel they should have the right to disturb me, I don't disturb them at there home! Thank You, Angela M.
